Recent Video Experience:

I Love You, You're Perfect Now Change: Satisfaction Guaranteed (2 minutes)

January 2020, Michigan Technological University, Houghton, MI

- Storyboarded, reserved camera, light and sound equipment, operated a small camera and lighting system, directed some blocking for actors in relation to shots and edited the video

Documentary on a Man Saving His House from Erosion (In Progress, 10 - 15 minutes)

September 2019 - Present, Michigan Technological University, Houghton, MI

- Developed the story, shot interview and B-roll footage, recorded sound and edited video for a character driven documentary as a member of the student enterprise Cinoptic.

A Haunted Mine: The Lost Labs of Dr. Z, video for haunted classroom (30 seconds)

October 2019, Michigan Technological University, Houghton, MI

- Directed a video based on an outline given to me by the event coordinator. Contacted actors, coordinated with the costumes crew for wardrobe, booked the filming space, reserved equipment, directed two additional crew members, designed lighting and color corrected the final project. During the tours I acted as a projections technician.

Ring of Steel Sword Fight Video (In Progress 1.5 minutes)

September 2019, McArdle Theater, Michigan Technological University, Houghton, MI

- Oversaw cinematography and operated one of three cameras for the video. Recruited an additional cameraperson and a sound technician.

Night Terrors, Animated Short Film (21.5 minutes)

2014 - November 2016

- Wrote the screenplay, recorded and directed actors, drew images by hand onto paper, scanned images, edited in Final Cut Pro, designed and created the visual effects, composed and recorded the musical score.

Special Skills:

Video Software: Final Cut Pro X, Premiere Pro. **Sound Software Knowledge:** Logic Pro X, Sibelius, Qlab, Pro Tools HD, AFMG EASE. **Artistic Skills:** Photography, hand drawn animation, screenwriting, sound design, music composition, illustration.
